

CIRRUS 2

MSRP \$29.95

A balance of slim military graded dual-layer protection with an Integrated Mounting System for your daily commutes and your smart home devices.

UNCOMPROMISING PROTECTION: Innovative composition of an impact resistant outer shell and shock absorbing inner layer, shields your device from scratches and impacts with certified military-grade protection. The ultimate safeguard for your device.

MOUNT READY: Integrated Mounting System on the go or at home, transforms your device into a powerful hub for all your integrated apps. Made for the Nimbus9 mounts, and compatible with most magnetic mounts on the market.

RAISED EDGE: 1.5 MM raised edge. Protects the screen from face-down drops.

WIRELESS CHARGING COMPATIBLE: Wireless charging compatible with most Qi enabled devices available today.

PRECISE CUTOUTS: Precise ports and camera cut-outs for comfortable accessibility and compatibility.

RIDGE-TECH: Shock absorbent inner ridge for improved drop protection.

REAL SENSE BUTTONS: Super responsive metallic buttons that provide hassle-free user experience. Enjoy taking perfect selfies with precision-engineered clicks.
