

GHOST 2

MSRP \$59.95

GHOST 2 offers you a reliable mounting solution with an Integrated Mounting System so you can conveniently interact with your phone while driving with maximum attention.

NEW DESIGN FOR ENHANCED PERFORMANCE: GHOST 2 is made from a high quality German made shock absorbent TPU, designed to be extra UV yellowing and scratch resistant, prolonging the case's lifetime.

HANDS-FREE PHONE USE: Powerful Integrated Magnetic System, designed for you to enjoy listening to your favorite podcasts or to navigate digital maps on your device while driving with full attention to the road ahead.

MAG360™ TECHNOLOGY: Integrated Magnetic System using Mag360™ Technology for perfect customizable angles of view. The powerful bank of magnets is strong and long lasting.

MILITARY STANDARD: Surprisingly Slim. Unbelievably strong. GHOST 2 is certified as surpassed military protection standard MIL-STD 810G.

RAISED EDGE: 1.5 MM raised edge. Protects the screen from face-down drops.

REAL SENSE BUTTONS: Super responsive metallic buttons that provide hassle-free user experience. Enjoy taking perfect selfies with precision-engineered clicks.

WIRELESS CHARGING COMPATIBLE: Wireless charging compatible with most Qi enabled devices available today.
